SILIPOS®

PREVEDERM HEEL CUSHION

605

THE SILIPOS® PREVEDERM HEEL CUSHION PROVIDES THE BENEFITS FOR:

- Pressure ulcer prevention
- Distributing pressure evenly to critical areas on the foot
- Protection for exposed bony areas

The SILIPOS® Prevederm Heel Cushion is anatomically designed to protect the foot and help prevent pressure ulcers. The gel cushion can be held in place with a bandage strip, tape or inside a sock or shoe.
